

DIGITAL INNOVATION HUB PHOTONICS

DIHP PITCH 2023

PITCH YOUR IDEAS AND BOOST YOUR ENDEAVORS WITH PHOTONICS

You have ideas? Great!

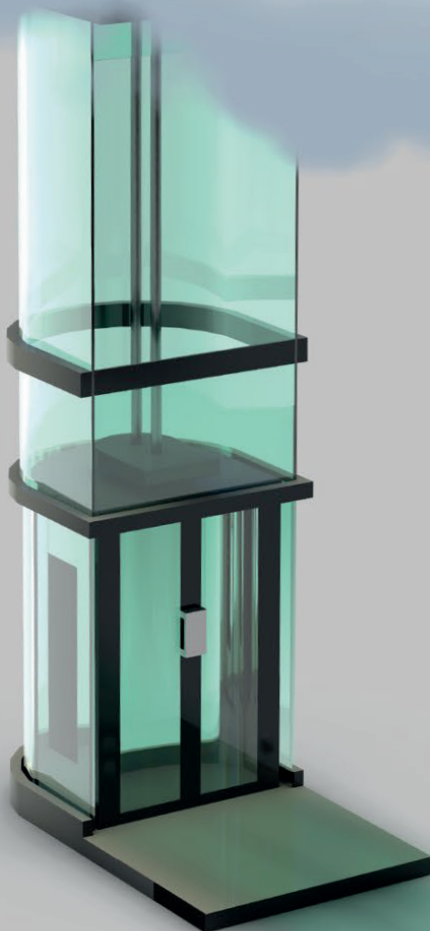

You have ideas that can be developed further with photonics, and you are looking for support in their conceptual and technological implementation? Even better.

Then participate in the DIHP Pitch enabled by Thüringer Aufbaubank. The pitch will take place on **January 12th, 2023**.

The **Digital Innovation Hub Photonics (DIHP)** supports everyone with founding intentions, **researchers** and founders, **start-ups** and **SMEs** in the development of (marketable) technologies and demonstrators in optics, photonics, and beyond, especially with applications in life sciences and medicine. You can win **up to 6 person-months of research support** at one of the five research institutes.

If you are interested, please send your application to dihp@iof.fraunhofer.de (Dr. Sebastian Händschke and Eleonore Roderfeld) by **December 14th, 2022**.

Don't hesitate to contact us via email or just call us +49 3641 807257. You will find more information on www.innohub-photonics.de.
